Plus the most effective thing you can do anytime you have an opportunity, problem, challenge, or question with your kids -

Ask! (yourself, your kids & other wise moms)

WELCOME TO THE ASK PROGRAM!

In this program you'll learn how to **use spiritual laws to release old wounds**, access your superpowers and support systems and **mother from your wisdom**. This is a very special benefit that will only be included in this program for its pilot run. Calls will be an hour long via Zoom (free online program). This is live group mentoring with me and is valued at \$1000 or more if you were to pay for equivalent private sessions. These calls will start the week of July 18th. They will be recorded and the recordings made available a couple of days after the call. (You will have the option to be seen on camera, to be heard but have the video off, or just to listen and watch.) Please email us which time and day you prefer:
